Sir,

In forwarding herewith letter No 28 dated 29th August 1923 with its enclosures addressed direct to you from the President, Town Municipal Council Davangere in the matter of increasing the pay of certain ministerial staff of the municipal Council, I have the honor to state that the grounds on which the municipal council have proposed the increase of pay to their staff appear to be sound and reasonable and as such the increase of pay proposed deserves favorable consideration of Government.

I agree to the scale proposed by the Municipal Council in raising the pay of all the officials except that of the Bill Accountant to whom I would recommend scale of Rs 30-5/2-40 instead of Rs 25-5/2-40 proposed by the Municipal Council on account of the responsibility of the present scale.

(Comp 4872

As it is reported by the President of the said municipal council in his letter under reference that the increased pay will be met by necessary reappropriation from the Budget grant for the current year I request that needful sanction of Government may kindly be obtained in the matter.

I have the honor to be,

S I R,

Enclosure. Two only.

S i r,

In submitting herewith a copy of the resolution passed by this Municipal Council at their meeting held on 20th August 1923 in the matter of increasing the pay of the Ministerial Staff of this Municipality, I have the honor to state as follows:-

The management of the Water Works having been taken ~~xxxx~~ to the control of the Municipality, the work in the -- Office has greatly increased. Then again as this is an important Municipality the clerks have onerous duties and ~~xxx~~ their responsibilities, especially that of the Head Clerk, are great. In view of the heavy and important work in the Office the Council resolved that it was very necessary that the staff should be efficient and that their pay should also be increased. It is learnt from a communica-

7

communication received from the Vice-President of Shimoga Municipality that the pay of the clerks of that Municipality has also been increased recently as per G.O.No. L. 6062-65 Ml.31-22-8 Dated 1st March 1923. In view of the fact that Davangere Town is a very costly place a slightly higher scale than the one sanctioned for Shimoga Municipality has been proposed for this Municipality.

I, therefore, request you to kindly obtain sanction of Government to increase the pay of the Staff as recommended by the Council with effect from the date of the Government Order.

The additional expenditure to be incurred in this connection during the current year will be met by reappropriation from the current year's Budget grant.

A statement of proposition is also submitted herewith for kind perusal.
